## FLORAL PLANNING @ TIFFINS

We understand that discussing floral arrangements can be a stressful and personal experience. If you prefer, we can arrange a reserved table in a comfortable space just a minute's walk from our floral studio. While you enjoy a botanical tea or a plant-based latte, we will take the time to listen to your needs and preferences, answer any questions you may have, and guide you through the available options.

Whether you want to discuss floral arrangements, wedding plans, or any specific requests, we are here to ensure everything aligns with your vision. Our private table setup fosters relaxed and meaningful conversations, allowing you the freedom to express your thoughts and feelings at your own pace. It's common to reserve buttonholes for the main wedding party—like the Groom, Best Man, Ushers, Page Boys, Dads, Grandfathers, and Brothers.
